Safety and Compliance

Pila Contracting Pty Ltd complies with the Occupational Safety and Health Act 1984 (WA). Prior to delivery of equipment to clients, the Company ensure equipment is safe and operational through a stringent inspection regime. Equipment is subject to a robust maintenance schedule to retain serviceability and efficiency. Daily Pre-Start Inspections also form part of equipment hire requirements to ensure equipment remains serviceable.

Management Systems

The Company conducts its financial matters through Xero accounting software and currently uses Microsoft Office for all other administrative functions.

About the Company

Pila Contracting Pty Ltd (Pila) was established in 2019 to supply the civil and mining need for plant and equipment on Tjalintji land. The Company supplies a range of maintained equipment to businesses and contractors operating across the Goldfields region of Western Australia. Pila has secured long-term contracts for the provision of mining equipment and maintenance services that support the longevity of the company.

Why Pila Contracting?

Pila Contracting Pty Ltd is a 100% **Aboriginal-owned** Company. The Company understands the importance of training and employment opportunities for local residents, including Aboriginal People, and endeavours to create these opportunities through contracts and agreements that it secures.

The Directors of Pila Contracting Pty Ltd, Shaneane Weldon and Mark Stokes, have a complimentary set of skills between them to ensure the Company is able to provide excellent products and services at competitive rates.

The Company is proud to be Supplier Nation certified and registered with Aboriginal Business Directory WA.

Clientele

Being established in 2019, Pila Contracting Pty Ltd (Pila) has recently secured a 5-year agreement with Downer to provide an array of equipment. The Company is interested in increasing their clientele portfolio in order to create further employment opportunities and support local communities.

Key Personnel

Shaneane Weldon

Position Director, Business Development Manager

Email s.weldon@pilacontracting.com

Phone +61 458 745 391

About

Shaneane is a Traditional Owner of the Yilka Native Title Determination. She is currently a Director with the Goldfields Language Centre where she invests time teaching the local Wangkatja language at nearby schools.

Shaneane has been involved in business administration since 1981, including the position of Coordinator (Community Advisor) at the Mt Margaret Community for 23 years. This position provided her with significant project management experience, including sealing of dirt roads, sewerage and power connection upgrades, upkeep programs, training programs, and rehabilitation programs.

Mark Stokes

Position Director, Operations Manager

Email m.stokes@pilacontracting.com

Phone +61 448 153 512

About

Mark is a Traditional Owner of the Ngadju Native Title Determination and has over 20 years' experience in the mining and civil earthmoving industry. His operational experience extends across an array of earth-moving equipment, including excavators, dozers, graders, dump trucks, loaders, water carts, backhoes, and bobcats.

Mark's industry knowledge provides the company expertise in managing and maintaining equipment, and equipment procurement decision making.

Plant, Equipment, and Facilities
